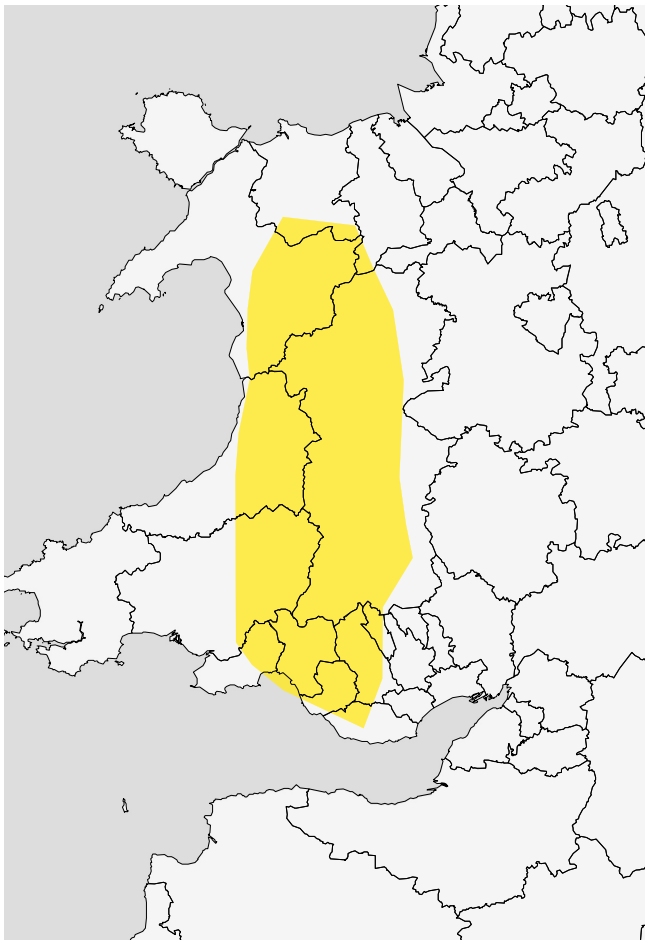
Yellow warning
Rain

Between
15:00 Mon 9 Mar 2020 and
12:00 Tue 10 Mar 2020



Wet and windy weather will likely cause travel disruption and flooding in some places.

What to expect

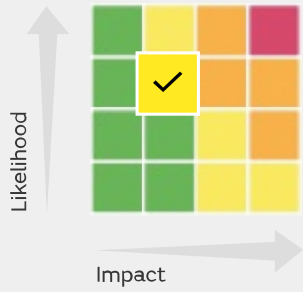
- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Some interruption to power supplies and other services likely

Further details

Wet and windy weather will spread eastwards across Wales on Monday afternoon and persist until Tuesday afternoon. Some prolonged and heavy rain is expected, especially over higher ground. Most of Wales can expect 10 to 20 mm rain with many upland areas seeing 25 to 50 mm rain. Some hills and mountains may see 60 to 90 mm in some spots, the highest rainfall expected over high ground in mid-Wales.

Reason for update

Update extends warning area into a larger part of Wales.



Medium likelihood of low impacts
